To Whom it May Concern:

I am pleased to write this letter of recommendation for Kids' Adventures. They have been providing our before and after school care for over 5 years and we are very pleased with their program.

The employees of Kids' Adventures are easy to work with and are supportive of the schools' needs and our staff, but most importantly, they are truly involved in the lives of the students who attend their program. Parents have commented on the personal attention their children receive as well as the academic support that is vital given our rigorous curriculum. I have never heard a student complain about having to attend before or after school, but rather, just the opposite!

It is of great benefit to our school to be able to offer a before and after school program, and Kids' Adventures has been a wonderful asset in securing full enrollment due to the needs of many parents. Tom O'Conner and his staff are a pleasure to work with and are well respected by our school community. Please feel free to contact me for more information.

Sincerely,

Donna Fitzgerald
Principal, Cherry Creek Academy
