December 2007

To whom it may concern:

This is a letter of recommendation for the Kid's Adventures organization. Kid's Adventures is a before and after school program for school age children. This year was the first year that Kid's Adventures has been implemented at Lawrence Elementary School. It has been a very successful program from the beginning.

The staff members from Kid's Adventures have actively promoted their program throughout the year at various school sponsored activities. They have continued to grow throughout the year. They have provided consistent and safe care for Lawrence students since the beginning of the school year.

The Kid's Adventures staff members communicate regularly with the Lawrence office staff. They have been flexible and very cooperative in working with the Lawrence administration. We have heard positive comments from our parents and community members regarding this program. It has been a pleasure to have Kid's Adventures as part of the Lawrence Educational community.

We look forward to a continued positive relationship with Kid's Adventures.

Sincerely,

A handwritten signature in black ink that reads "Judy Weaver".

Judy Weaver
Assistant Principal
Lawrence Elementary School
