To Whom It May Concern,

It is with confidence that I write this letter on behalf of Kids Adventure. Our experience with Daycare providers at Patterson Elementary had not been positive. Therefore, I was leery of working with another company. Kids Adventure has eliminated my concerns. They are a professional child focused organization. The Kids Adventure staff effectively communicates with the Patterson staff including administration, teachers and custodians as well as parents. Activities for students are age appropriate, organized and well managed. Behavior issues are dealt with proactively and in a positive manner.

I highly recommend Kids Adventures. They provide an essential service for working parents. Kids Adventure will be a positive contributing member of your school community.

Sincerely,

Susie D'Amanti, Principal
Patterson Elementary
