To Whom It May Concern:

Kids Adventures, Inc. has been serving Pennington Elementary since the beginning of the 2005 school year. The program has proven to be satisfactory to teachers, faculty, parents and attending students.

Reasonable prices and great day-care employees, such as Tiffany Mahmood who works here at Pennington, truly make the program a place where children enjoy attending. Parents feel safe sending their children to learn and play.

Kids Adventures, Inc. would be a great addition to any elementary school.

Sincerely,
